Access to the most up-to-date cosmetic and restorative solutions carried out in a friendly and relaxed environment

DRIVER SEEKING EMPLOYMENT

My driver who has worked for me for the past six years is looking for a new position as I no longer require a driver. He is a very pleasant, trustworthy and hard working man who I can highly recommend.

If you are interested in arranging an interview, please call Mark on 078 267 4230

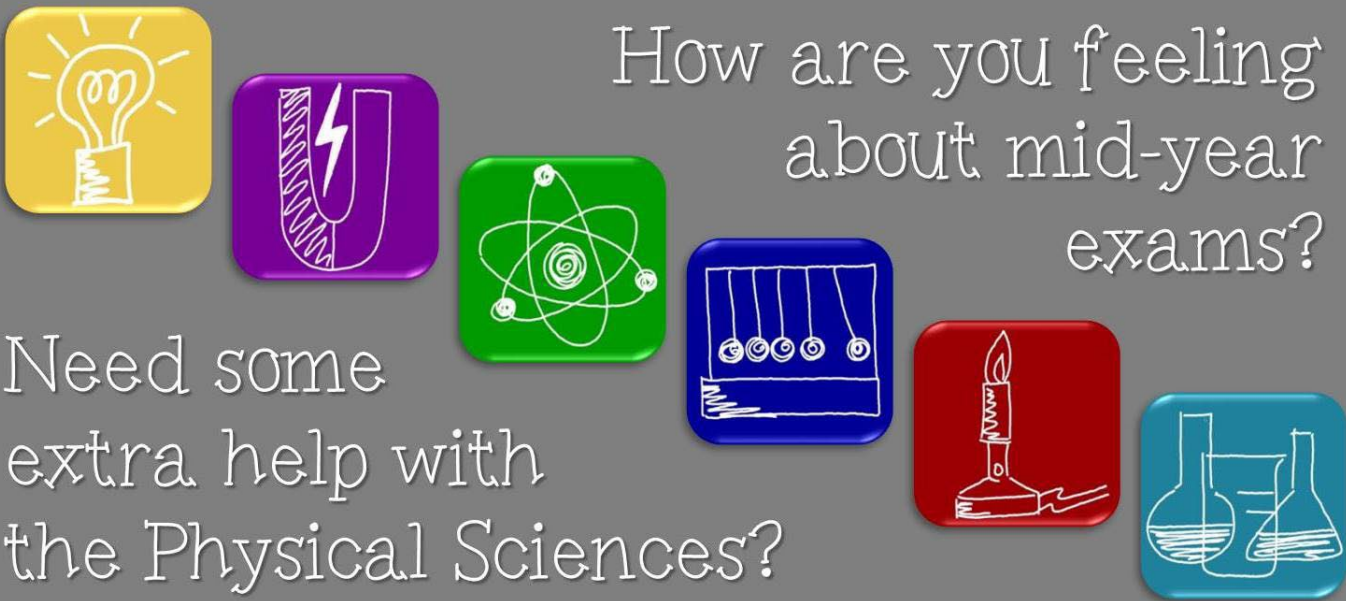

To advertise in *Snippets* from St Mary's, please call Mirka on 011 5311896 or email mirka.glyptis@stmary.co.za.

There are three size options for the A4 page:

1/2 page = R600, 1/4 page = R350, 1/8 page = R150

St Mary's School does not endorse the products or services advertised in this newsletter and advises buyers to exercise caution when making purchases. Please note that St Mary's reserves the right of publication.

How are you feeling about mid-year exams?

Need some extra help with the Physical Sciences?

A few extra lessons could be just the boost you need to improve your understanding of and increase your confidence in this awesome, challenging subject.

Extra Physical Sciences lessons done by former teacher Kendra Hendry (BSc, PGCE) from her home in Sunninghill on weekday afternoons at competitive rates.

For more information email science@sort-ed.co.za or call 071 011 5751

Train smarter

Tech-intensified strength training. 20 minutes a week. Challenge yourself.

BODYTEC® combines the benefits of electro muscle stimulation (EMS) with personal training.

What is BODYTEC® EMS?

It is a full body workout that powers up your strength training session by activating up to 90% of your muscles simultaneously. You'll always do your EMS training under the guidance of a personal trainer.

Where can I find BODYTEC®?

Visit www.bodytec.co.za to book a trial at a studio near you.

Who can benefit?

Men and women looking to tone up, build muscle or reduce fat content.

Cross-training athletes that need additional strength training.

People of all ages with back pain or weak core strength.

BODYTEC Atholl | BluBird Shopping Centre | Corner Atholl-Oaklands Road and Fort Street Birnam | Johannesburg | 011 440 8214 | atholl@bodytec.co.za

Visit www.bodytec.co.za to book your trial

THE LINK @ NORWOOD: Volunteers needed

The Norwood Link Project is a literacy programme which runs on a Wednesday and Thursday morning weekly during the government school terms at Norwood Primary School.

We start at 08:15am and run until a little after 10:15am.

We also run a second session from 11am to 12pm.

You can choose which times will suit you but it only takes 2 hours a week to make a huge.

All training will be provided – come along and make a difference .

For further information, please look at our website:

www.thelinkliteracyproject.co.za or contact the Centre Manager, Margaret Hill, at thejhbhills@telkomsa.net
